Prayer Vigil

Weekends #273 and #274 are coming up quickly with the men beginning their weekend on Thursday, June 18, and the women on Thursday, June 25, at St.

Lucas Community Church, Lake Elmo.

Prayer is a vital part of a UEC weekend. A prayer vigil by the UEC 4th Day community connects the community to the weekend and strengthens the Weekenders, team and the community alike. Prayer connects us to God and to each other.

When you sign up either for a specific hour or throughout the weekend, you will receive regular updates for those four days.

These updates will act as a reminder to bathe the weekend in prayer and also give a glimpse of what is happening at the moment.

Please help blanket both weekends with prayer by following the instructions below.

How to participate in the Prayer Vigil:

1. Log on to www.unidosencristo.com
2. Click on "4th Day" on the bar under "Unidos en Cristo"
3. Click on "Weekend Prayer Vigil"
4. Scroll down to the Sign Up section and enter your name, phone number, e-mail address and then sign up for Weekend #273 or #274.
5. You may choose a one-hour time slot to pray, or select the entire weekend.
6. Click on "Submit Prayer Times"
7. Click on "Prayer Vigil Tips" on the sign-up page for helpful suggestions and Scripture readings

You will receive reminder emails throughout the weekend.

If you have questions, contact the Prayer Vigil Coordinator for the weekend you are committing to pray for. Thank you for your support and prayers.

Been to prison lately?

There is great joy in being along side a prison inmate when he or she experiences the truth of 2 Corinthians 5:17: "If anyone is in Christ, he is a new creation."

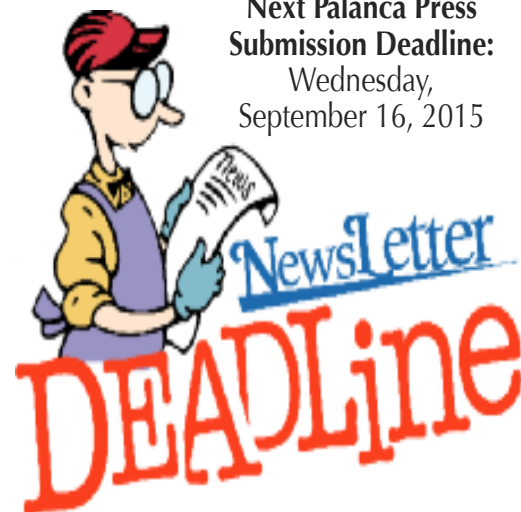

Charis of Minnesota invites you to share that joy, by being part of a future Charis team at a Minnesota men's or women's prison.

A 3-day Charis weekend is very similar to a Cursillo-type

weekend. Teams of 25-30 volunteers attend three or four team meetings. On the weekend, we do talks, posters, lots of singing, stations of the cross, chapel visits, an agape dinner, and we finish the weekend with a clausura.

For more details check out the Charis website (charismn.com), or email Charis president Maret Ryan (maretryan@gmail.com).

Convenor's Corner

By Craig Stockel, convenor@unidosencristo.com

I am a soccer official and a girl's lacrosse official. My job is to enforce the printed rules, and determine where the grey areas are and use a bit of common sense.

Probably one of the things I hate to do is enforce certain uniform rules because they seem somewhat ridiculous to me. Some, once discussed with a peer, make more sense and there becomes an "ah-ha!" moment.

Working on teams for a UEC weekend can be much like that, especially when it comes to the number of times one serves in a year or the different leadership positions into which one might step.

Certainly every new weekender should be encouraged by their sponsors and others to raise their hand to serve on a weekend sometime shortly after their own weekend. That's easy and makes sense.

Where the "sticky wicket" comes in is when we have dedicated, well-meaning Cursillistas who serve, and serve and serve without regard to the printed parts of the manual that encourage working only one team a year, and certainly not back-to-back teams in the same leadership roles (except to gain experience in other team leadership roles).

This is where it becomes awkward for the Council as conversations must be had to explain the purpose behind the rules/encouragements.

Okay, so imagine this scenario: a group of Cursillistas who all know each other and have leadership experience fill the teams for a year.

The teams are comprised of the same people, though they may change positions within that year. What opportunities lie for the nearly 60 people (assuming full weekends) for each of the weekend pairs to serve on a weekend (by the way, that's 180 people)? None, absolutely none.

The rules for serving aren't merely put there for the heck of it. Remember, this movement has been around for some 30 years, and we want to keep it vibrant and growing.

There is a prescribed "Cursillo method" though certain parts of it have morphed due primarily to electronics, diets, etc.

Other church-type events as well as the busy-ness of people's lives have impacted the numbers available to attend UEC weekends. Our churches and pastors are ever changing. Liaisons and others change churches, affecting UEC directly.

It's highly critical that newly-acquired Cursillistas have the opportunity to serve to help keep the UEC body growing, to maintain its vibrancy, to give back, and share their love for Jesus.

Choosing to ignore rules and guidelines tends to put the "spotlight" on YOU and your wants and desires and not always what's best for the weekend or weekenders. It also forces Council to have unpleasant

conversations and perhaps be the "enforcer" of rules ignored.

Yes, there is a 70%/30% guideline about "new" people on a team and those experienced. That is for the rector/as to follow.

But you who are experienced team Cursillistas need to be okay with choosing to help behind the scenes if you have already served a weekend in the year. You have to be willing to say "I'm grateful you have asked but I have served this year" and "please give new weekenders an opportunity first."

The Council understands a person's desire to serve and by no means intends to judge a person's heart to serve, but when the rules – written or implied – are blatantly ignored, then the Council must step in.

An alternative for you to spread out your gifts for service: consider other Minnesota Cursillo movements, including TEC (Teens Encounter Christ) and Charis. There are links to both on the UEC website.

If you are a new Cursillista and if you have not raised your hand to serve, the Council hopes you will prayerfully consider doing so.

Christ is counting on YOU to share His love with others. Serving on a UEC weekend is a way you can do so, a way you can give back the gift of His love in the same manner it was given to you on your weekend.

Thank you for your heart to serve. Thank you for being the hands and feet of Christ.

#271 weekend wrap-up

By Dan Everson, UEC #271 Men's Rector

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment." Matthew 22:37-38 NIV

Well, if you are looking for a number to be your favorite, I would certainly recommend number #271. That number has solidly become my number of choice.

Last December the team of UEC #271, about 50 guys, embarked on the path of becoming a family. It was a wonderful experience to see God work in hearts and lives and bring these men together for the amazing task of showing His love to the weekenders.

There were obstacles, of course, as there always are, but facing these challenges with the Lord, along with the prayers and support of fellow team members, kept the overwhelming aspect of this opposition at bay.

On Thursday, February 26, twenty-three men arrived at Faith Covenant Church. As I spoke to several of them during the initial reception time, not one of them said, "I'm sure looking forward to this weekend." However, the team embraced them, and our family began to grow together.

Tables bonded quickly, rollos were presented and their message absorbed, and the family, the entire family, grew in our understanding of God and His magnificent grace.

Everyone seemed to think that they had the best table. When we would announce a break, almost no one would move. They, for the most part, would opt to remain at their tables and talk. God's love for His children seemed to fill everyone at UEC #271.

The grace, the fellowship, the teaching, the prayer, the chapel visits, the singing, and the laughing, all were mentioned as important aspects of this weekend. These new Cursillistas, as well as many team members, went back to their home, work and churches, ready to show God's love and grace to the people in their environment.

Yep, God did a big thing at UEC #271, and it will remain my favorite number. As I said, if you are looking for a favorite number ...

#272 weekend wrap-up

By Judy Fallat, UEC #272 Women's Rectora

During the time of preparation for weekend #272, I was awe-struck by the power of God's call that moved women to accept the invitation to be on team. It was a joy and a privilege to hear their stories and to know, with certainty, that God was indeed forming this team!

On the weekend itself, we had the usual progression in centerpieces, placemats, food, music, banners, and spiritual intensity, but what we especially noticed was the progression in the weekenders' relationships.

On Friday, strangers became friends. By Saturday, friends were becoming sisters, some returning from their Chapel Visit with arms around each other. And on Sunday, a bunch of the rest of the family showed up in a big way—a huge family they didn't even know they had!

A weekend often has a mantra or two—short phrases that capture the spirit or a key learning. Ours were "Progress not perfection" and "Grace, grace, grace!"

Some weekender comments during the Apostolic Hour, the Clausura, and after the weekend suggest why these phrases resonated with them. One said she had been waiting to respond to God's call to use her gifts to serve others until she could do it perfectly, or at least really well. Now she's wondering, "why wait?"

Others shared plans to get started now on something they feel God calling them to, something God has given them a gift for. Listening to them I heard the sound of people responding to God's grace and love—God's forgiveness, encouragement and help that enable us to be good stewards of the gifts God has given us.

I pray that all of us, weekenders and team alike, will take the fire of God's love that infused our weekend and use it to bring light to the world. Let's "keep the fire burning" and "kindle it with care."

UEC 4th Dayer detained in Rwanda

Esther Nyiransabimana-Myers, UEC #230, who has been incarcerated in her home country of Rwanda since January, 2015. Esther has served on teams following her initial weekend in 2008.

Esther has been incarcerated since January 19, 2015, and only this past week has been charged. A trial date has been set for July 6.

This is the list of charges;

- 1) negationism and minimization of the genocide against the Tutsi;
- 2) inciting insurrection or trouble amongst the population;
- 3) public insult

The following is a summary of events which have taken place:

Nov. 13, 2014 - Esther, her husband, Kevin, and their son 4 year old son, Tyrell, traveled to Rwanda for ministry and time with family. Esther has lived in the United States since 2007 and is a permanent resident. This was her first

trip back to Rwanda since coming to the United States.

Jan. 18, 2015 - Esther preached at a church in Kigali.

Jan. 19, 2015 - Esther went with police to answer questions about her sermon. She has been incarcerated since that time.

February, 2015 - Esther was moved to Kigali's Central Prison. She remains in the Central Prison in Kigali.

Esther's husband and son came back to the United States the beginning of March.

The legal process has been very frustrating and very slow moving. A very experienced attorney has recently received approval to be Esther's new council. He has begun launching a defense. This was a major breakthrough as it took 3-4 weeks for the process to be approved.

Specific prayer requests:

- for God's wisdom, grace and mercy

to prevail

- for the new attorney, who is very experienced, to have wisdom and be effective in his work to bring justice for Esther

- for Esther's state of mind and heart to be encouraged in this difficult situation

- for justice to prevail in Rwanda

Esther has many testimonies of prison ministry. She remains totally in God's hands and needs our prayers just as much now as ever. Please continue to lift Esther up for God's grace to cover her and God's will to be done.

The family extends their thank you for your prayer support. They are thankful for your faithful prayers, emotional and financial support. They know God is creating a testimony in Esther that will bring glory to his name!

As updates become available, they are posted on the UEC Facebook site.

Meet your council members

Shelley Schuenke

Secretary

I was a weekender on Unidos en Cristo #158 in August, 1999, at Hope Church in Richfield. My first team experience was on the 4th Day at Colonial Church in 2001. Since then I have served on all teams including Kitchen Rectora, Palanca Rectora, and as an assistant in the Rollo Room. I have seen God's love and grace abound in each weekend and look forward to serving on a team about every 18-24 months.

On the UEC Council I have served as the council secretary for the past 5 years. In addition to attending and taking minutes for the 10 meetings each year, I compile the ministry reports and the completed minutes of the council meetings, and prepare other correspondence for the council. I also serve on the executive team and the nomination committee for the UEC council.

- Did you know that the council prays for and sends a letter to every clergy member each year? That's about 175 letters each year.

- The council also sends sympathy, thank you, and get-well cards to members of the 4th day community. Many thanks to Linda Shirley for her Palanca for providing beautiful handmade cards for this need.

Personally, my husband, Tom, and I are members of Hope Church in Richfield and we live in Bloomington. After my UEC weekend, I began studying God's word regularly and completed 8 years of Bible Study Fellowship and now have continued with 7 years of Community Bible Study. My Monday evenings have been filled with Bible study for 15 years. I miss the Bible study structure in the summer and look forward to September when CBS starts up again. I work as an Office Manager for a non-profit organization in Richfield.

It is a privilege and honor to serve on the UEC Council. Step up and offer yourself to serve on the UEC Council. You will be blessed!

David Webb

Palanca Coordinator

I am currently the Palanca Coordinator for the UEC community. I have served six years on the council starting as the UEC secretary then transitioned to Palanca Coordinator. I have enjoyed learning the inside and out of the UEC community. I was very green when I started this council but I have come to appreciate our various viewpoints that make up the Christian community.

I went through UEC in January, 2004, (#197). I was at that time attending Minnetonka United Methodist Church. I now attend St. Peter's Lutheran Church in Monticello.

The years on council have made me appreciate my faith and sharpen my faith tool chest. I have learned to value a strong walk with God is better than anything in this world. That is my prayer for the future of UEC and for future council members. Never forget who you are in Christ. Always make God first in all that you do. It is not an easy walk but it is worth it.

I want to thank the UEC community for putting your faith in me on the council for all these years. I appreciate the friendships and this community. May God bless you and guide you. I know our paths will cross soon.

Council Meetings

UEC Council meetings are held at 6:45 p.m. on the fourth Tuesdays, January-June and September-November at Christ Presbyterian Church, 6901 Normandale Rd., Edina.

In loving memory

We joyfully celebrate the life and resurrection of each friend in Christ who has entered the Fifth Day:
